Girls on the Run Greater Cincinnati Lottery Registration Frequently Asked Questions

How does the lottery system work?

Registration will open for a week and half and then close. At that time, if more girls are registered than the number of available spots on a team (15), the registration system will randomly select girls for that team. All additional girls will remain in “lottery status” and be placed on the waiting list. Should a girl drop, and a spot opens during the first two weeks, we can fill that spot from the waiting list via another lottery.

Teams that are not at capacity will include all girls registered at that time. Registration will then re-open and additional girls will be added on a first-come, first-served basis until capacity is reached for each team.

Why a lottery system?

The lottery system allows all girls the same opportunity to participate in Girls on the Run. The lottery system provides every family an equal opportunity to register and equal access to participate in the program.

What about girls that have participated in the past? The lottery doesn't seem fair to them.

Though we appreciate the passion and loyalty of girls that have participated in prior seasons, we are also committed to ensuring that as many girls as possible experience Girls on the Run. We therefore do not offer preferential registration for GOTR alumnae and everyone is entered the same lottery. The lottery system provides every family an equal opportunity to register.

What if my daughter is not selected?

In the event the desired team is full, additional girls will be placed on the wait list for that team. Should a spot open within the first two weeks, we will conduct another online lottery. Your credit card will not be charged unless your daughter is formally added to the team.

If it's truly random, why do you ask how many seasons my daughter has participated?

This information is collected on behalf of Girls on the Run International. It is used to calculate retention rates and for curriculum development purposes.

What about sisters?

To keep the lottery truly random sisters are treated as individuals in the lottery system.

Is the lottery for everyone or only when a team is full?

Everyone who registers during the first wave will receive a confirmation email notifying them that they are in “lottery status.” At that time, if more girls are registered than the number of available spots on a team, the lottery will occur to randomly select girls for that team. All additional girls will remain in “lottery status” and be placed on the wait list for full teams. If a spot becomes available within the first two weeks of the season, a girl will be randomly selected from the wait list.

Teams that are not at capacity after the first wave of registration will include all girls registered at that time. Registration will then re-open and additional girls will be added on a first-come, first-served basis until capacity is reached for each team.

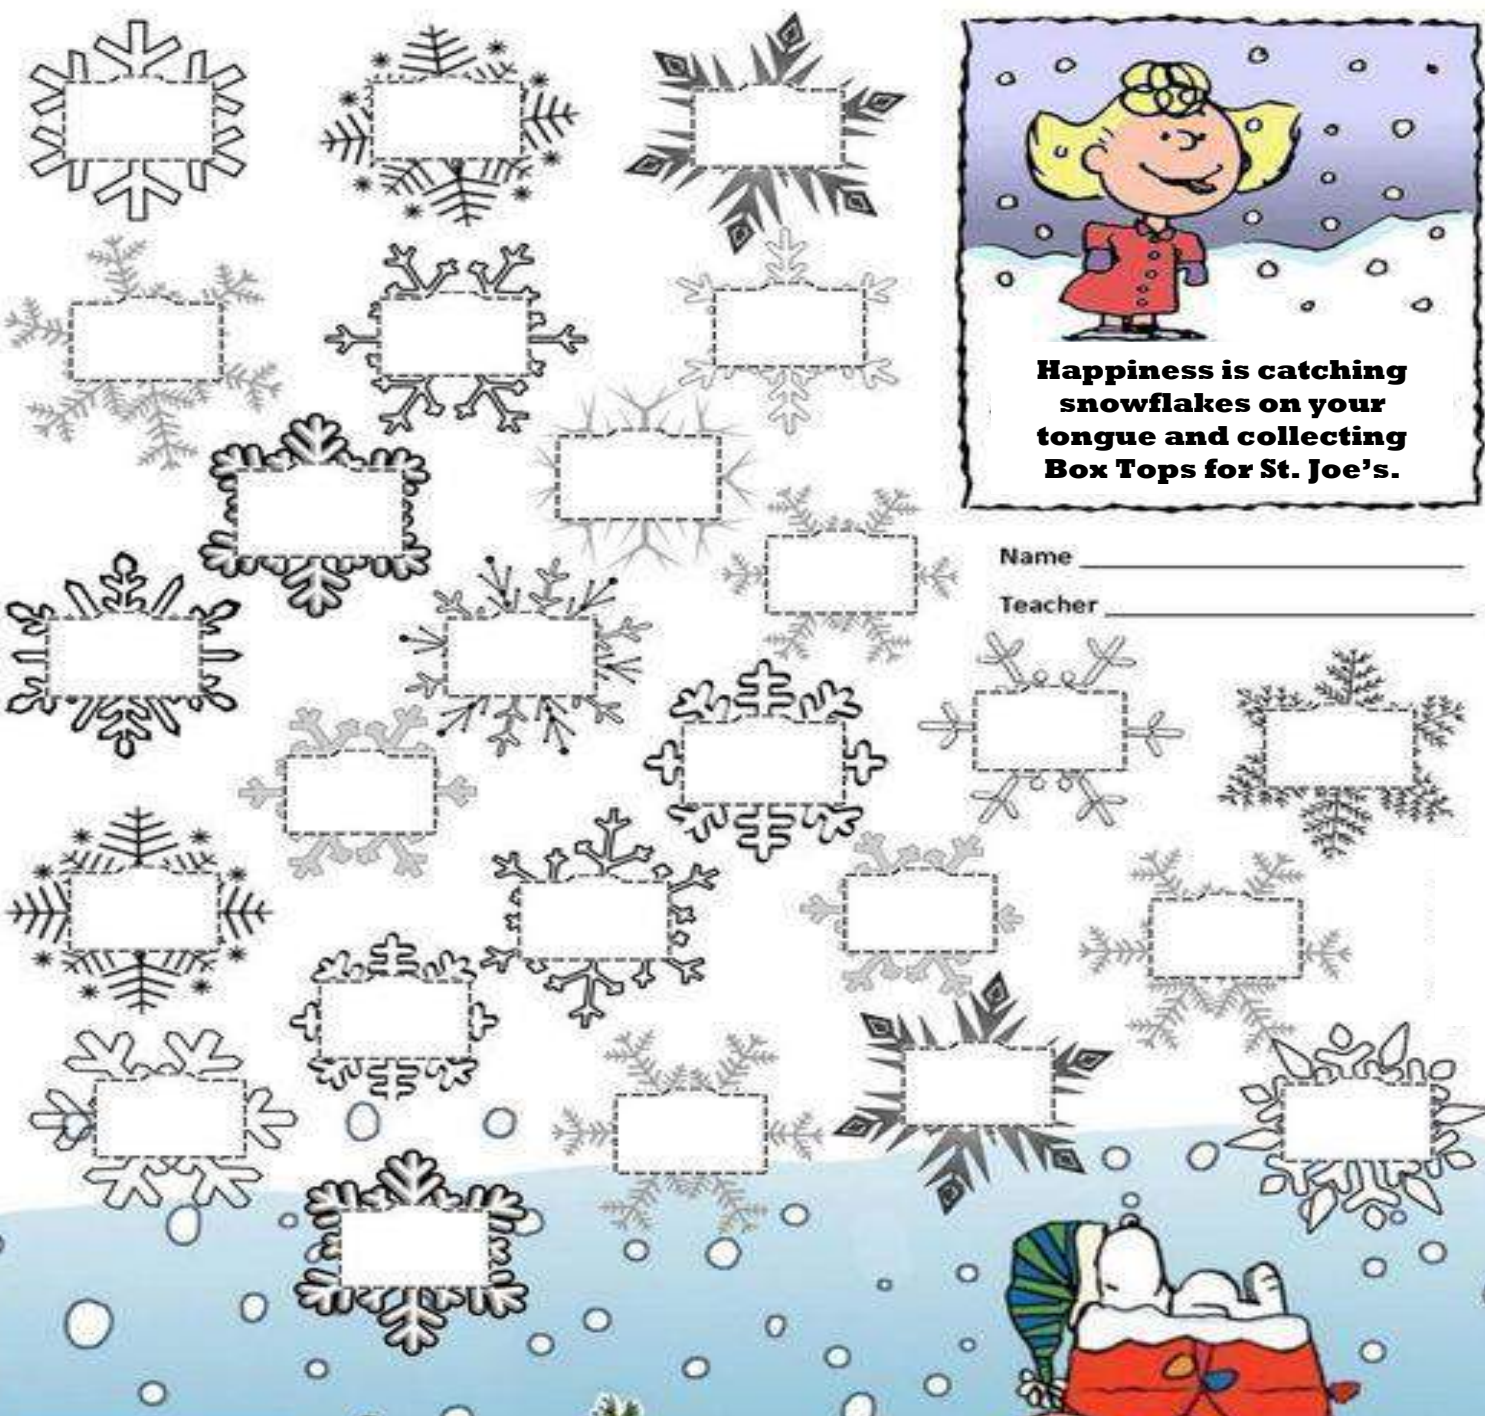

Could you add more girls on a team if I volunteer to coach?

To ensure quality programming, we limit our team numbers based on many factors. Some factors include space availability at each site, previously ordered program supplies, facility usage limits, and the number and experience of committed coaches before registration begins. Though programs may be cancelled if a minimum number of coaches cannot be recruited, we do not add coaches at the last minute to accommodate more girls. Adults with availability and interest in coaching are encouraged to learn about coaching opportunities on our website and apply well in advance of the next season's registration date. This allows us to effectively project and plan for the upcoming season and provide new coaches the opportunity to attend coach training and meet with their coaching team. Once registration opens, team limits are set, and no additional coaches will be added to accommodate more girls.

How do I know I qualified for a scholarship?

You only need to apply for a scholarship if you cannot afford to pay your registration fee according to the Sliding Scale of Family Income or if you need to pay your fee in installments. The Scholarship Committee at the GOTR Office reviews all the scholarship applications as quickly as possible and awards scholarships based on financial need and based on available funds. Someone from the Scholarship Committee will contact you prior to the start of the season to confirm your scholarship details and to work out any payment plans. To prevent any delays, please make sure you complete the scholarship application in full AND provide us with the best means to contact you. Your daughter's spot on the team cannot be confirmed until your scholarship or payment plan has been confirmed.

2018 Villa Hills Longhorns Instructional Baseball League: Sign-Up Information

For the 2018 baseball season, the Villa Hills Longhorns Athletic Association will again be offering youth “instructional” baseball. Because of the success in previous years, we will again be offering both a “tee ball” level as well as a “coach pitch.”

These leagues are created & supported to make baseball a fun, learning experience for all kids. All practices & games are local (Villa Madonna & Franze Fields in Villa Hills), and all games are played on Saturday mornings/early afternoons.

Tee-Ball League (ages 4-5)

The Villa Hills Longhorns will again offer a local league for our youngest kids, meant to introduce them to baseball. This is an “entry level” league for those playing baseball for the first time – with the purpose of using tees to allow for more “in game action” of the ball being put in play, as well as eliminating the fear-factor of playing with a hard ball. Practices will be 1x per week, and all games will be played on Saturdays at Franzen Fields in Villa Hills.

Tee-Ball Details:

- Organized teams made up of local Villa Hills & Crescent Springs kids (other surrounding cities are welcome assuming we can accommodate the # of kids)
- Targeted to ages 4-5,
- Season will run from ~April 1st thru June 24th
- Games are ~3 innings long, with a tee being used to allow for a safer, more exciting experience
- Coaches: *Over the past 3-4 years, we have been consistently low on coaches. Please consider signing up to help...no baseball experience is required* – and ultimately we want coaches that will make the experience fun for the players. Practice plans/tips will be offered to those coaches looking for help

Registration Details:

- Visit <https://villahillslonghorns.com/> and follow the links to register online
- Registration is open from January 8th thru March 2nd. Late registrations will only be accepted if roster spots exist
- Costs: \$35 per player (includes personalized jersey & hat)
- Contact/Questions: Steve Steinbrunner (513-235-9417 or ssteinbrunner@yahoo.com)

“Coach Pitch” League (targeted to ages 6-7)

The Villa Hills Longhorns will again offer a local league for our intermediate players, allowing them to hit “live pitching” from coaches prior to entering the “kid pitch” level at the ages of 8 & up. Coaches will pitch to all players, and adjust to each player’s needs (with a tee available if a player isn’t making contact). Practices will be 1x per week, and all games will be played on Saturdays at Villa Madonna fields in Villa Hills.

Coach Pitch Details:

- Organized teams made up of local Villa Hills & Crescent Springs kids (other surrounding cities are welcome assuming we accommodate the # of kids)
- Targeted to ages 6-7, and those that have some baseball experience
- Season will run from ~April 1st thru June 24th
- Games are ~3 innings long, with a coach pitching to all players
- Coaches: *Over the past 3-4 years, we have been consistently low on coaches. Please consider signing up to help...no baseball experience is required* – and ultimately we want coaches that will make the experience fun for the players. Practice plans/tips will be offered to those coaches looking for help

Registration Details:

- Visit <https://villahillslonghorns.com/> and follow the links to register online
- Costs: \$35 per player (includes jersey, hat, and special personalized baseball cards from Picture Day)
- Registration is open from January 8th thru March 2nd. Late registrations will only be accepted if roster spots exist
- Contact/Questions: Steve Steinbrunner (513-235-9417 or ssteinbrunner@yahoo.com)

CHRISTMAS TOY STORE PROVIDES FOR NEARLY 400 WOLFE COUNTY CHILDREN

The volunteers of the Christmas Toy Store take a break from a busy evening just long enough for a quick photo.

Campton - On Monday, December the 11th, the Christmas Toy Store was open for business and ready to serve Wolfe County families in need. More than 150 families utilized the store this year, which equals nearly 400 Wolfe County Children whose Christmas will be a little brighter, thanks to Sister Susan of the Catholic Church of the Good Shepherd, generous donors, and willing volunteers.

Each year around Thanksgiving, the Catholic Church begins acquiring donations from a variety of local

parents to buy gifts for their children; a points system. For each child in the family, parents are asked to pay \$1, and in return they are allotted 75 points. Most of the items in the store are priced either 50 or 25 points, while others are not priced at all. Blankets, for example, are not priced, but each family will receive one. Diapers and other infant necessities are distributed on an as-needed basis - as well as many of the clothing items - helping to ensure that families get what they need to see their children through the Christmas season,

Now Selling Christmas Ads

We've learned that each year at Christmas, local businesses, politicians, and others like to buy space in the newspaper to wish their friends, family, patrons, and constituents a Merry Christmas. We sold Christmas advertising last year, but unfortunately left a few people out. We will do our best to talk to everyone this year, but if you would like an ad, feel free to let us know. You can reach us at (606)359-2381, theswiftcreekcourier@gmail.com, or our office on Main Street. We'll be selling Christmas advertising until December the 20th, and your ad will appear in the Friday, December the 22nd issue.

Your support is greatly appreciated and we look forward to serving you for years to come!

and distant sources, and procures a space to house the items and present them for sale. In recent years, the Church has used a space near Southern Roots Salon, but unfortunately that space was rented to Appalachian Wellness earlier this year. It takes much more than a lack of space to stop Sister Susan and her volunteers, however, and they soon found the perfect location. Sister Susan rented the community center at Campton School Apartments from the fiscal court at a deeply discounted rate, and even managed to find an anonymous donor to cover the cost of rent. The space was rented for a total of 17 days, all of which were used to store, sort, organize, and display the numerous donations received.

Even though the Toy Store focuses on toys, there's much more to it than that. There are infant supplies, books, coats, clothing, diapers, and blankets, just to name some of the items that can be purchased as the store.

Speaking of purchasing, the store has a unique way for

and that they have something to give their children themselves, in addition to whatever gifts Santa might bring.

The Christmas Toy Store opened its doors on Monday evening for the first group of parents. These parents are those that a fortunate enough to be employed, but still need some help. On Tuesday, the store is open to parents that are currently unemployed, and Wednesday the store is open to the public and those that didn't register. Sister Susan likes to refer to Wednesday as grandparents day, in respect to the number of grandparents that shop at the store for their grandchildren.

The Catholic Church of the Good Shepherd and its volunteers are truly a blessing for our small community, and one that has become irreplaceable over the years. Thanks to Sister Susan and a number of volunteers, Wolfe County families in need will have a little brighter Christmas, and that's something we should all be thankful for.
